Please allow me to brag a little. On the 7th of October, the Archdiocese of Miami celebrated its 50th anniversary with a high mass at St Mary's Cathedral celebrated by Archbishop JOHN FABALOR presiding. During the mass 47 persons were given different awards. For the first time in the history of the Diocese, three were honored by POPE BENEDICT XVI and named "Knights of St. Sylvester", the fifth highest award in the Catholic Church for lay people. St Sylvester was Pope from 311 to 3 . He is credited with converting the Roman Emperor Constantine the Great and curing his leprosy. He is also credited with building St Peters in the Vatican. The three honored happen to be law enforcement persons. Chief Fred MOSS from the City of Sunny Islands, Lt.Pasco SANTANGELO FHP and myself John H Tighe. My award was in honor of my work with my parish and the diocese, mainly the 14 years, 9 as President of St Vincent De Paul, the parish version of Catholic Charities, helping the needy.

Update on Wally Neumann

Wally checked in at Moffitt Cancer Center on Sept. 30 and Oct. 1st to get a catheter placed in his chest for the transplant and had chemo on those two days in the hospital. Then we checked into the Hope Lodge next to the hospital where we will stay until Wally is admitted on Oct. 21st to start his transplant. He has been getting Neupogen (growth factor shots) for almost a week. On Monday night he ran a slight fever. When we went to the doctor on Tuesday he started running fever again so, they started running tests to check for any infections and wanted to admit him in the hospital. All of his blood counts had bottomed out. He has been in the hospital Tuesday and today (Wed.) He will probably get out tomorrow. He received 2 units of blood and 4 units of platelets. His spirits are good and he is still ready to keep going ahead for the transplant. Hope you are all well. I will update when we have more news. Thank you for your prayers and calls.

Love, Barbara and Wally
